

CURS D'ANGLÈS AVANÇAT

Towards C1

Improve your English vocabulary and fluency

GENERAL OBJECTIVES

- The course aims to develop students' skills with a special focus on improving speaking and increasing vocabulary within various grammatical, lexical and functional themes.
- To communicate in a variety of everyday situations by way of: debates, role plays, narratives, decision making tasks, maintaining a conversation and expressing ideas.
- Expand vocabulary for use in everyday and specific situations.
- Give opinions on and summarize authentic texts.
- Deal with problems and situations where they meet unpredictable language.
- Develop a range of communicative competencies (strategy building).
- A focus on language used for real and concrete purposes.

METHODOLOGY

The course is divided into 30 sessions of 2 hours each. Each session will focus on a grammar and/or lexical point or functional language area. There will be a review of the grammar, vocabulary and functional language and then the lesson will be focused on practising use of that mainly through oral and listening work. The course grammar content will be based on *English File Advanced*, *Speak Out Advanced*, but also incorporating material from various other sources such as clips from the Internet, film clips and authentic text material.

ASSESSMENT

Students will be assessed on a continual basis and will receive personalized feedback from the teacher. A certificate will be given at the end of the course to the students who have complied with the minimum requirements.
